

VOLUNTEER

Help MOSF Expand the Universe!

Volunteering with MOSF is how we are able to expand and begin to facilitate the team needed to help in the opening of the physical museum! For now, volunteers will help out with our small exhibits featured throughout the D.C. area as well as with Escape Velocity. Help educate the public on the importance of Science Fiction or work behind the scenes and see what is takes to run a museum! Fill out the form and begin your journey in expanding the Science Fiction universe!
